FINAL

Ever since that one day over near
hiway Seventy Five Me and my Family
never went there again. It all ~~stated~~ stated
when me and my family went to my family
reunion and on our way back we were hit by
a car that was going city miles an hour.
At first everything was okay until
we saw that the driver that hit us was
dead. Clearly drinking and driving don't mix
well this is how I end my story.
